

Models of Care

March 9, 2023

1:00—3:00 pm

Webinar

Description

Today in the field of human services we are being asked to serve people with a growing variety of conditions. This session is designed to show different approaches and strategies when working with different populations in community settings.

Key Learning Objectives:

- Identify different expectations for progress when serving individuals with brain injury, intellectual disabilities and mental illness.
- List common treatments used with individuals with brain injury, intellectual disabilities, and mental illness.
- Discuss guidelines for interventions when working with individuals with brain injury, intellectual disabilities and mental illness.

Who Should Attend: Healthcare and human service professionals and direct caregivers.

Instructor: Karen Finck, APRN, CNS, Health Counseling Services

Continuing Education: Contact Hours: 2.0

Application is being made to MN Board of Nursing, MN Board of Social Work, MN BELTS&S, and MN Board of Pharmacy. It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.

Registration Fees

Medi-Sota Members: \$25 per member facility (not system)

- 1 Registration Fee per hospital/LTC (not health system)
- No extra charges for multiple connection lines.
- All participating individuals should register for the workshop, but each facility will receive only one invoice from Medi-Sota. All registered individuals will be provided connection information and handouts.
- The recording link for each session will be available to all registrants for 60 days.
