

PTSD

Assessment, Diagnosis, & Treatment

November 13, 2023

1:00—2:30 pm

Webinar

Description

Assessing, diagnosing and treating PTSD has changed dramatically over the past 100 years. Medical providers must be aware of these changes and how to effectively treat patients with PTSD.

Key Learning Objectives:

- What are the main characteristics of PTSD
- How to better bond with your clients and develop trust
- Most effective treatment techniques

Who Should Attend: Clinicians, medical providers and associated LTC, hospital, and clinic staff

Instructor: Dr. James R Tuorila, Ph.D., L.P., Licensed Psychologist, Tuorila Consulting

Continuing Education: Contact Hours: 1.5

Application will be made to MN Board of Nursing, MN Board of Social Work, and MN BELTS&S. It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.

Registration Fees

Medi-Sota Members: FREE

****Members of Service Organizations, Veterans, and Active Duty Military: Free****

Non-Medi-Sota Members: \$25/Person
