

## Perinatal Loss: How to Support Patient, Family & Yourself

June 13, 2024

1:00—2:00 pm

Webinar

### Description

The presentation will focus on the care of the family who experiences a stillbirth or neonatal loss. Communication skills, memory making activities, and a discussion of support resources will equip the caregiver to gain confidence in perinatal bereavement care.

### Key Learning Objectives:

1. Provide compassionate care to families experiencing pregnancy loss by using good communication skills & recognition of parenthood.
2. Provide memory making opportunities, create mementos, and normalize loss by treating parents & their baby with respect.
3. Provide support resources in your area or on-line to facilitate healing.

**Who Should Attend:** LPNs, RNs, NPs, PAs, MDs, Intake staff (HUC's, MAs), chaplains, priests, social workers, funeral home staff.

**Instructor:** Jenny Burgers BSN, RN, Perinatal Nurse Navigator, Family Birth Center, North-Maple Grove Hospital

**Continuing Education:** Contact Hours: 1.0

*This workshop is designed to meet the continuing education requirements for the MN Board of Nursing. It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.*
