

Central Service Technician Seminar

March 22 & 23, 2024

8:00 am—4:00 pm (Both Days)

Virtual Training/Webinar

This 2-day seminar is designed to meet the needs of new employees and individuals aiming to take the HSPA Certified Registered Central Service Technician (CRST) exam. Gain insights into your strengths and areas that require further review, and acquire the essential tools you need to feel prepared!

Explore a comprehensive understanding of Central Service processes and regulations, and elevate your expertise in crucial areas such as cleaning, disinfection, decontamination, sterilization, and supply distribution. Delve into equipment and instrument review, and acquire valuable test-taking strategies to enhance your preparation. This seminar is a valuable resource for both new technicians and those aspiring to excel in the CRCST certification exam.

Instructor: Kaley Anderson, CRCST, Anoka Technical College

****It is recommended that students who are looking to take the exam purchase the book and workbook to have practice tests readily available. The Central Service Technical Manual can be purchased [HERE](#).****

Continuing Education: Contact Hours: 16.0

It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education. Participants will receive continuing education hours for attending the course.
